1. Introduction

This work, titled “**Chill Hard or Die Trying (YOLO Anthem)**”, is released under the **YOLO Chill License** — a maximally permissive, web3-native license inspired by the ethos of decentralization, freedom, and “You Only Live Once.”

The creator believes that art should flow freely in the digital age. Once you have a copy of this original verified work, you own the right to do **whatever the fuck you want** with it.

2. Grant of Rights

The Creator hereby irrevocably and unconditionally dedicates this work to the **Public Domain** worldwide, to the maximum extent permitted by law.

You are free to:

- **Use** it for any purpose (personal, commercial, nonprofit)
- **Copy** and distribute it
- **Modify**, remix, adapt, or transform it
- **Create derivative works** (including new songs, videos, NFTs, merch, AI training, etc.)
- **Mint it as an NFT**, tokenize it on any blockchain
- **Sell, license, or give it away**
- **Use it in any medium** — physical, digital, metaverse, or otherwise

No permission required. No attribution required.

No royalties. No restrictions.

3. Web3 Ethos Statement

This work is **on-chain ready**.

Whoever holds a verified copy can treat it as their own. Fork it. Burn it. Build empires with it.

YOLO. Life is too short for copyright drama.

4. Disclaimer

This license is provided “AS IS”. The Creator makes no warranties regarding the work. Use at your own risk. The Creator is not liable for any claims arising from your use of this work.

5. Verification

This document serves as the official legal release.

For maximum decentralization, feel free to upload this license + the song to IPFS and mint an NFT referencing it.
